

DP-A100 II DUPRINTER

THE LOW COST A4 DUPRINTER
HIGH SPEED PRINTING AT 300 X 360 DPI

Up to 130 prints per minute
300 x 360dpi resolution
500 sheet (80 gsm) capacity
Optional USB 2.0 connectivity

Newsletters, Menus, Instruction sheets
Direct mail, Classroom handouts

The DP-A100 II is Duplo's entry level Duprinter. Its compact size, low cost per copy and high speed makes it a perfect addition to any office environment.

Easy to operate

The DP-A100 II is very user-friendly, with all functions and adjustments such as reduction/enlargement, image mode and speed all conveniently located on the control panel. USB 2.0 connectivity is available as an option should you wish to print from your computer.

300 x 360 dpi printing

The DP-A100 II produces high quality prints with its 300 x 360 dpi print resolution and two image modes, perfect for printing a range of applications such as newsletters, classroom handouts or letterheads.

Big features in a small machine

The DP-A100 II now comes with all the features of a larger machine, housed in a small footprint. The DP-A100 II utilises technology from the best of Duplo's duplicator range, including a 3 wheel feed system and accurate stacking trays.

Reduction and enlargement

Document sizes can be enlarged and reduced to: 70, 81, 86, 94, 115, 122, 141%.

Cost per copy

Automatic Document Feeder

Master Set

High production in a compact design

Despite the small size of the DP-A100 II, it is a highly efficient machine with speeds of up to 130 prints per minute and a feeding/ stacking capacity of 500 sheets (80gsm). Should you wish to double your production, the 2 in 1 mode allows you to scan two images and print them onto one document.

Environmentally friendly

The DP-A100 II has been engineered to have a low environmental impact. On standby mode alone, only 11.7 watts of power is consumed, perfect for reducing your running cost and carbon footprint. Like all Duprinters the DP-A100 II produces no ozone or emissions during operation.

Cost effective

Like all Duprinters, the DP-A100 II operates on an economies of scale principal making running costs extremely low, as the print quantity increases, the cost-per-copy rapidly decreases. This is a perfect solution for businesses wishing to print large volumes on a small budget.

Colour printing

Create added value to your documents by adding a spot colour. A variety of coloured inks are available for the whole Duprinter range, should you require a specific colour, pantone colour service is also provided.
